Sir:

Pursuant to 37 C.F.R. §§1.97 and 1.98, applicants respectfully request that the document listed below and on the accompanying PTO 1449 be considered by the Examiner and made of record in the above-referenced application. A copy of the document listed is enclosed.

1. United States Patent Publication No. 2002/0022660 A1 of Jampani et al.

"Deep Penetrating Antimicrobial Compositions," published February 21, 2002, filed Dec. 13, 1999.

Identification of the listed document is not to be construed as an admission of the applicants or attorneys for applicants that this citation is available as "prior art" against the subject application. If the Examiner applies the document as prior art against any claim in the application and applicants determine that the cited document does not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

This Supplemental Information Disclosure Statement is being filed before the mailing date of a final action under § 1.113, a notice of allowance under § 1.311, or an action that otherwise closes prosecution, and accompanied by the fee set forth in 37 C.F.R. § 1.17(p). If any additional fee is due, or if any overpayment has been made in connection with this submission, the Commissioner is authorized to charge any such fee or credit any overpayment, to our Deposit Account No. 02-4377. A duplicate copy of this paper is enclosed.

Respectfully submitted,
BAKER BOTTS LLP

A handwritten signature in black ink, appearing to read "Lisa B. Kole", is written over a horizontal line.
